My favorite sport is baseball. It's my favorite sport for a few reasons. First, it's one of the only sports I know I'm not into any other sport, it has pretty simple rules, and isn't usually that long. It's ~~a very interesting sport~~. It's very ~~good~~ tough, and fun to watch.

2. David convinced King Saul that he should fight Goliath by saying "When your servant was a shepherd with his father's sheep, a lion or bear would take a lamb. The I would attack him and take the lamb. When the beast attacked, he would take him by the beard and kill him. The Philistine will have the same fate, as he defied the armies of the Lord. He relied on the Lord's help.
3. When Goliath saw David, he said "Am I dog, you come to fight me with sticks? I'll give your flesh to birds of air and beasts of the field." David replied "You come with sword, spear and shield, but I come in the name of Lord of Hosts, the God of Israel's armies, who you defied. The Lord will put you in my hands, and I will chop off your head. All the earth will then know there is a God of Israel. The Lord will put you in our hands.
